We are requesting that each studio have a minimum of 15 participants. Each studio will be allowed to perform three numbers. We are looking for a variety of dances, so be sure to consider tap, lyrical, and musical theater numbers as well as jazz performances. Production numbers are especially appreciated! We respectfully request that your numbers feature teen and senior dancers if possible. Additionally, remember that this is a performance benefiting a children's charity. All numbers should be appropriate for family viewing. Please avoid dark themes as well. This is meant to be an uplifting show.

Once again, seating is General Admission. Kindly remember that seating will be on a first come basis and saving large blocks of seats will not be allowed. Thank you for understanding and helping us make this event work for all parties involved!
